

## **Floria** Designer: Pierre-Yves Rochon

Tavolo con piano in marmo, disponibile nelle varianti: Calacatta, Calacatta Viola, Grigio Astratto, Zebrino, Portoro, Dover White, Arabescato Orobico, Rosso Levante. Il piano è caratterizzato da una forma che richiama un fiore, con taglio curvo, minuziose fresature e dettaglio negli angoli. Il sottopiano, laccato color titanio, sporge volontariamente dal piano. Anche in questa parte, gli angoli sono arricchiti da una lavorazione che ricorda la forma di un fiore. Poi un elemento di raccordo tra il piano e la base, metallo verniciato Pewter (fin.5L). La struttura delle gambe è composta da pannelli in MDF che creano la forma desiderata, supportati da una struttura portante in metallo. Le gambe sono quindi rivestite in pelle. La base è in metallo verniciato Pewter. Quattro piedini per proteggere i pavimenti da graffi o danni.

—

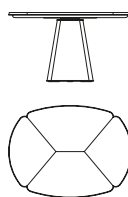

Table with marble top, available in Calacatta, Calacatta Viola, Grigio Astratto, Zebrino, Portoro, Dover White, Arabescato Orobico, Rosso Levante. The top is characterised by a shape reminiscent of a flower, with a curved cut, meticulous milling and detailing in the corners. The undertop, lacquered in titanium, overhangs deliberately from the top. Also in this part, the corners are enriched with milling that recalls the shape of a flower. Then there is a connecting element between the top and the base, Pewter painted metal (fin.5L). The leg structure is made of MDF panels that create the desired shape, supported by a metal support structure. The legs are then covered in leather. The base is made of painted metal with Pewter painted metal (fin.5L). Four feet underneath to protect the floor from scratches or damage.
