

Serie di tavoli rettangolari e quadrati con la struttura in alluminio, verniciato a polvere color carruba. Il piano è configurabile a piacere grazie a doghe in diversi materiali: rovere fossile (fin.3B), afrormosia (fin.3D) e pietra lavica dell'Etna.

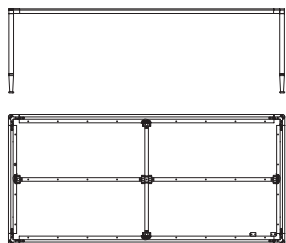

NOTA:

il legno di rovere, di afrormosia e la pietra sono materiali naturali che risaltano nelle loro tipiche venature originali, a volte anche non uniformi. Le imperfezioni della materia prima non devono essere considerate un difetto, bensì un pregio.

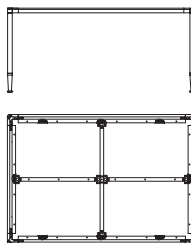

A series of rectangular and square tables with the frame in aluminum, painted in carob colour. The top is freely configurable, thanks to slats in different materials: stone oak (fin.3B), afrormosia (fin.3D) and Etna lava stone.

NOTE:

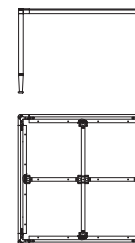

the oak and afrormosia wood and the stone are natural materials, whose original veining, sometimes even not uniform, stand out. The imperfections of the raw material should not be considered a defect, but rather a quality of the material.
